Article 1

Introduction

In the context of strengthening the student-centered educational process, as well as compliance with the principles of transparency and accountability, the Program establishes a Student Complaints Management Mechanism. The Mechanism is made up of rules that govern the procedure to be applied regarding the submission of complaints by students and the adoption of every appropriate measure to deal with them.

Article 2

Scope of the Mechanism

The Complaints Management Mechanism established by this Regulation concerns all complaints submitted by students that relate to the quality of the services provided by the Department, both in terms of education and administrative functions.

Article 3

Submission of complaints and their registration

Every person who has the status of a student has the right to submit complaints to the said Department following the following procedure. The student records his/her complaints and submits it to the Coordination Committee.

Article 4

Process of handling-addressing the problem
Within 7 days from the transmission of the complaint, the Directors of the Committee examines the problem and takes the appropriate actions, informing, as the case may be, the competent body. In case it is deemed necessary, an extraordinary Assembly is convened for the discussion and decision-making. Within a reasonable time under the circumstances, the student is duly informed about the actions that have been taken and the handling in general, as well as about any relevant decisions.

*Possibility of revision in a lesson:*

The students have the possibility to request a review to improve their score. If the student fails more than three times in a course, in accordance with the current legislation, they can, upon his application, be examined in this course by a three-member committee of Professors of the School, who have the same or a related subject and are appointed by the Dean. The person in charge of the teacher examination is excluded from the committee. The application for examination by a committee is submitted by the student at least one month before the beginning of the examination period. In case of failure in the specific examination as well, the student is referred back to the original examination method.
